

SERGER CLASSES

Serger Club-Julie Winters

1 session \$15 + supplies Beginner—Expert
 Serger Club will help sewers to gain experience with different techniques associated with the serger. While a project is presented each month, the main goal will be to learn the featured technique and be able to apply it to your own serger. Come learn to “play” with your serger and have fun while doing it! Stop by shop to see sample.

Prerequisite: Serger Guide Session 1 or basic serger knowledge.
