

# SOFTWARE CLASSES

## Software Club

Club fee: \$20/class

Join us each month for our software club! We work on a project featuring one or more of the Husqvarna Viking Software Programs as we increase our skills with these programs. We will also have a time for trouble shooting and sharing our individual projects. Stop by the shop to see samples. **Prerequisite: 4D Embroidery Guide Class.**

**Bordentown: Julie Winters 9am-noon**

Fri, Jan 8 *Eyeglass Case* 4D Extra or 4D Pro

Fri, Mar 5 *Sewing Sign* 4D Extra with Design Enhancer or 4D Pro

## Compute and Sew-Julie Winters

1 session or 2 sessions \$39 + supplies Adv. Beginner  
Start the class using 4D Embroidery, 4D Embroidery Extra or 4D Professional software to create your own endless design. Then you will create a beautiful pillow case using the Endless Hoop (can use the Large Hoop). Stop by the shop to see the sample.

**Prerequisite: 4D Organizer and 4D Embroidery software and Embroidery Guide classes. Load software onto laptop before class.**

**Bordentown:**

Saturday, February 20 10 am-5 pm (lunch break)

**Lawrenceville:**

Wednesday, March 10, 17 10 am-1 pm

## Intro to Family Portrait-Pat O'Brien

1 session \$35 Adv. Beginner

See what all the excitement is about 4D Family Portrait software. Transform your photos into wonderful Portrait-Stitch embroideries. Enter your own family details or import .ged files from other genealogy software to record and embroider family information. Wizards help you create portraits and charts, add lettering, frames and more!

**Prerequisite: 4D Embroidery Software Guide Class.**

**Bordentown:**

Saturday, February 13 3-6 pm
